Innov-is NQ575PRW

Overview

Take your passion for sewing to the next level with the newest addition to the Q-Series lineup, the Innov-is NQ575PRW. This lightweight machine is a perfect classroom machine, as it offers flexibility and convenience at an affordable price. Enjoy improved sewing with longer feed dogs for better stability. Make your projects unique by personalizing your stitches with the stitch combination feature.

Built-in stitches, buttonhole styles and fonts

- 100 built-in sewing stitches, 7 styles of one-step auto-size buttonholes and 4 sewing lettering fonts.

8.3" from needle to arm

- More room to the right of the needle to easily maneuver fabric when working on projects of all sizes.

Reinforcement Stitch

- Automatically sew a tie-off stitch when working on your projects, which is very useful for decorative stitches.

Improved sewing

- Longer feed dogs and J foot keep stitches more consistent

Automatic thread cutter

- Automatically cuts the upper and lower thread.

Stitch combination

- Personalize your stitches with the stitch combination feature! Customization has never been easier.

Thread tension

- The manual thread tension allows you to make adjustments that suit different weights of thread.

Presser foot pressure adjustment

- Easily adjust the pressure of your foot to accommodate various types of fabrics.

2.4" easy view touch screen LCD display

- Use the bright, touch screen display to manage all your embroidery functions.

Sew up to 850 stitches per minute

- Create more in less time.
